Free Card reader!!!

Make your business as mobile as you are.

Phone Swipe transforms your smartphone or tablet into a mobile credit card terminal. With simple transactions, end-to-end security, and live customer support, you'll never miss a sale again.

Expand your customer base, increase revenue, and never miss a sale again. From live support to industry-low pricing options, Phone Swipe has the most robust features in the business.

Free App + Reader

Download the free Phone Swipe app from your app store and we'll send you a free card reader upon approval.

Low Pricing

Accept Visa, MasterCard, Amex, Discover, and PayPal at just 2.69% per swipe with no setup, monthly, or hidden fees.

Next Day Funding

Forget the waiting game. Get your money within one business day from the time of transaction.

Robust Features

Email receipts, create inventories and add discounts, tax, and tips. Allow your employees to accept payments on the go.

Cash Drawer + Printer

Add a cash drawer and wireless receipt printer to create the perfect point-of-sale solution for any business.

Business Intelligence

From transaction history to deposited funds, view detailed account activity anywhere, anytime.
